Chapter 1 by Nivriti Agaram

Celeste was sitting on her porch in sunny California. She scrolled through her inbox while sipping her artistic latte. Suddenly, "BING!" She got a new email. Hoping it was from her sister who had recently been sent to the hospital, she opened it up. Here it is:

Dear Celeste Garfield,

We have been making a movie, "The Witch on 22nd Lane", and we think you would be perfect for the part of the, well, victim. We have seen your social media.

4 on Tumblr, but, erm, that would have to do. We will have one of our agents escort you to the set in 10, 9, 8...

From, Ghostly Productions
